The proposer shall provide daily transportation to all students who live outside of a one-mile radius of the school site. All bus stops are to be within one mile of each student home. Route timing should be calculated beginning at the first pick-up location and ending at the last drop-off location. Friend of King expect routes to be as convenient as possible for students and parents and for routes to maximize efficiency to reduce cost.

5) **Bus Monitors:** Proposer is responsible for any training and working with the Friends of King School District's assigned bus monitors in assisting the District leaders in maintaining orderly behavior on buses. The Proposer is responsible for hiring, training and managing bus monitors to assist on special needs buses.
